

2019-2020 KOG Pre-K – 5th Registration

What is the Children's Ministry?

All those in Pre-Kindergarten, Kindergarten, and 1st through 5th grade are invited to be a part of our Children's Ministry! Pre-K and Kindergarten students will be one class with 1st through 5th being in the second class. All are welcome!

Our Children's Ministry program consists of the following:

- Weekly Sunday activities. The first Sunday of the month is "Community Sunday" where everyone is together and either a group service project or a fellowship activity will be done together. On the other Sundays it will be small group days where the children will be able to dive deeper into scripture and how that applies to our modern day lives. For a full list of Sundays, please refer to the Faith Formation calendar.
- Wednesday Night Alive happens each Wednesday starting in September. This is a great opportunity to come together for a meal with others at KOG with multiple enrichment opportunities that follow; hand bells, choir, bible study, and more! Stay tuned to announcements for the weekly activities. Please join us!
- All 3rd grade students are welcome to enter in the First Communion process as well. Please fill out a separate registration form for First Communion. Any student older than 3rd grade that has not received their First Communion is welcome to join too!

Curriculum

This year's curriculum comes from Spark: Activate Faith. We are on the Year Orange rotation. For more information on Spark House visit wearesparkhouse.org.
