

2019-2020 KOG Youth Group Registration

What is Youth Group?

The Youth Group at King of Glory Lutheran Church engages and prepares youth to be counter-cultural and to live radical, authentic, and unapologetic lives.

We believe that our society needs our young people to bring the light of Christ to the nations and our program seeks to do that through prayer, education, worship, community, and lives centered on Christ.

To be aligned with Jefferson County Schools, Youth Group includes all children in 6th through 12th grade.

Our Youth Group program consists of the following:

- Weekly Sunday activities. The first Sunday of the month is "Community Sunday" where everyone is together and either a group service project or a fellowship activity will be done together. On the other Sundays it will be small group days where youth will be able to dive deeper into scripture and what's going on in each other's lives. For a full list of Sundays, please refer to the Faith Formation calendar. On occasion, a small group Sunday may be an offsite activity. These activities will be announced ahead of time on Flocknote and will require a permission form and possibly an additional cost.
- Wednesday Night Alive happens each Wednesday starting in September. This is a great opportunity to come together for a meal with others at KOG with multiple enrichment opportunities that follow; hand bells, choir, bible study, and more! Stay tuned to announcements for the weekly activities. Please join us!
- There are other seasonal events that youth are highly encouraged to attend and serve at (i.e. Trick or Treat Street). Stay tuned for more information!
- All 8th grade students are welcome to enter in the Confirmation process as well. Please fill out a separate registration form for Confirmation. Any student older than 8th grade that has not been confirmed is welcome to join too!

Questions?

Any questions or concerns? Please reach out to Linda Bobbitt at linda.bobbittkog@gmail.com or Heather Carlson at heather.carlsonkog@gmail.com or KOG Office: 303-421-9930.
