

## Introduction

Over the next 11 days I will share Pr. Fred Castor's reflections on a famous prayer by John Baillie. John Baillie lived from 1886-1960. He was a Scottish teacher, lecturer, preacher, and author of many books.

Each day Fred will discuss a different petition from the prayer. *The prayer is below.*

I invite you to use the prayer and the reflection as a devotion. Allow it to speak into your relationship with God and open your heart in new ways.

Each day as you consider Fred's words or the prayer itself, write down your own reactions. Re-read the entire prayer with these ideas in mind and see how it speaks to you differently.

I invite you to share these devotions and your reflections with someone else - perhaps in your newly forming neighborhood groups.
